During lessons, books fly through the air, and the toy sheep Roger suddenly winks at them. This know-it-all sheep tells them that Mr Chalkwhite inherited his magic powers from his great uncle, but Roger wants nothing to do with such a hopeless apprentice. One sports day, a relay baton suddenly shoots through the air like a rocket, and Emil's parents take him away from the school. In order to rescue Emil, Matti and their classmates use Roger's friendsheep and ex-baaa-tise to make sure that Mr Chalkwhite learns how to use his heritage properly.

30 books and no sign of fatigue: Kwiatowski celebrates a landmark

A classic among detective stories for reading beginners that already sold more than 1.6 million copies worldwide! A CASE FOR KWIATKOWSKI is mega-exciting reading fun with humorous illustrations by Ralf Butschkow and received the Hansjörg Martin Crime Stories for Children and Juveniles Award 2006. Kwiatkowski, the hero of our series, is a 9 year old boy whose hobby is to solve crime stories. He constantly chews chewing gum and only takes off his cap with a huge K (as for Kwiatkowski) when he takes a shower as it provides his brain with an adequate operating temperature that is necessary to solve his many cases. Told in the old detective language of Sam Spade or Dick Tracy, children love this amateur sleuth as these crime stories don't need mega effects to be entertaining.

Kwiatkowski can hardly believe it: the chemistry genius Marie is in trouble and needs his help. Of course, he loses no time in starting his investigation. When a lightning-fast kidnap takes place before his very eyes, and Marie is suddenly standing there with a blackmail letter in her hand, things get really exciting.

- **Success guaranteed – Kwiatowski bang up to date.**
- **New outfit for the 30th Kwiatowski book.**
- **Relaunch: new cover design and a modern Kwiatowski.**
- **More than 1.6 million copies sold worldwide and translated in 22 languages.**

Lotta is back on the silver screen and in the bookshops

“Grandma Ingrid gives me a diary I can confide all my secrets in? Why – does she think I don’t have any close friends?” With self-esteem, wit and lots of imagination, our heroine Lotta Petermann masters one adventure after another – narrated with a great sense of tongue-in-cheek humour by Alice Pantermüller and uniquely illustrated by Daniela Kohl. A one-of-a-kind diary series for reading, laughing and discovering that little and big readers will love!

Lotta is eagerly looking forward to her class trip to Amrum. But then, the children are to be accompanied not only by Cheyenne’s little sister Chanel, but also by her father as a replacement teacher. And as if that wasn’t already bad enough, there’s something not right about the youth hostel. Rooms disappear, Chanel disappears, and there’s also a photo of the creepy Mieke, who seems to be following Lotta around. Fortunately, there are also two alpacas on the island (or rather, two llamas), plus lots of sand and especially the Wild Rabbits – and you can always rely on them.

- Eagerly awaited by thousands of fans.

New adventures for the greatest human whisperer of all time: Pony Jamie is back!

Cool, cooler, coolest, that's Jamie! This pony is an unequalled equine genius! Along with the rest of the equine team – especially Macho, the leader of the herd, Tinker mare Fanny, riding pony Paloma and fjord horse Robin – Haflinger Jamie causes all kinds of chaos. It would be really ridiculous if they were not able to train the humans in the paddock to behave themselves. But when all's said and done, Jamie is the greatest human whisperer of all time!

A film is about to be made very close to "Pony Paddock". There's one problem: Jamie and the other ponies aren't going to be in it. All the same, they don't want to lose the chance of seeing the stars live and in full colour. However, strange things start to happen on the film set: costumes disappear, scripts get mixed up, and then the leading actress's horse starts shying. It's obvious that the film people need help! And luckily, Pony Jamie is on the spot to help them...

- I'm a star – fetch me from the paddock!
- Very funny and highly original: Jamie becomes a film star!
- The diary of the perkier pony in the world. Jamie and his gang cause chaos on a film set.
- The series sold over 14,000 copies so far.
